This course will teach you how to configure Exchange Server 2013, and it will provide guidelines, best practices, and considerations that will help you optimize your Exchange Server deployment.

Participation

This course is intended for people aspiring to be enterprise-level messaging administrators. Others who may take this course include IT generalists and help desk professionals who want to learn about Exchange Server 2013. People coming into the course are expected to have at least 3 years of experience working in the IT field—typically in the areas of network administration, help desk, or system administration.

Description

- Designing and Implementing Site Resilience
- Designing and Implementing Exchange Server 2013 Unified Messaging
- Designing and Implementing Administrative Security and Auditing
- Designing and Implementing Exchange Server Upgrades

The programmes* have been approved by the HRDA. Enterprises/ organisations participating with their employees, as well as unemployed people, who satisfy HRDA's criteria, are entitled to subsidy..
